My Little Pony
Ep. #109 – "It's T.U.E.S day"
Script D3 - 18th July, 2021
By Ryan Denham

INT. BRIGHTHOUSE - MORNING

We hold on a doorway for a beat of calm. Then suddenly IZZY bursts through. She fires party poppers, spins noise-makers, and balloons and confetti fall inexplicably from the ceiling.

IZZY
IT'S T.U.E.S DAY! WOOHOO!

Izzy launches into a very stomp-y and bold warrior-dance.

IZZY (CONT'D)
(Low throaty haka chant)
UNI-CA, UNI-CO, UNI-FA, UNI-FO,UNI-ME? UNI-***GOOOOOoooo****ooo!*

As she concludes, catching her breath, the camera turns to reveal SUNNY, ZIPP and PIPP - all frozen in shock midway through breakfast. Zipp's cereal falls from her open mouth.

SUNNY
Uh... No, Izzy. It's Thursday.

Sunny checks the clock on the wall.

SUNNY (CONT'D)
EEEEK - And I'm late to open the Smoothie Cart!

Sunny hurriedly gets ready. Zipp and Pipp, dart around the room, doing the same.

ZIPP
(in unison) Argh! The Pegasus Mare-a-thon already started!

PIPP
(in unison) Mane Melody can't open without the MANE attraction!

Izzy tries in vain to interject and get their attention, but everypony is too hurried to listen.

IZZY
No, it's **T.U.E.S** day! T-U-E-S! The Unicorn Expression of Sparkle Day. A special day for every unicorn...

SUNNY / ZIPP / PIPP
(walla)
Where's my bag?
(MORE)

SUNNY / ZIPP / PIPP (CONT'D)
/ I need my flying gear! / Jazz is gonna bedazzle the bathrooms again!

The front door of the Brighthouse closes with a **<SLAM>**. Izzy is left all alone.

IZZY
... and their friends.

She slumps at the table, reflected in the milk of a leftover bowl of Uni-Cornflakes, which form the shape of a Unicorn.

IZZY (CONT'D)
(sigh) I miss Bridlewood... Earth Ponies and Pegasi are great n'all, but it'd be nice to make another unicorn friend...

Suddenly - a *literal* light bulb moment (Izzy's horn glows)

IZZY (CONT'D)
Make a unicorn friend...

Izzy grins wildly, before launching out of shot.

INT. BRIGHTHOUSE - IZZY'S UNI-CYCLING CRAFT AREA - MONTAGE

Izzy springs into action. We see her grabbing random odds-and-ends from around the Brighthouse and crafting with them:

— Izzy grabs all the cutlery from the drawer. Then comes back and grabs the drawer, too. She takes the Toilet seat. In a blur, she takes a single leg from each chair around the dining table (after a beat the chairs all fall down). She tears pillows, spilling stuffing everywhere. She rides around the garden in a wheelbarrow, grabbing gardening tools.

— We see Izzy hammering and sawing, gluing and glittering, bending and screwing.

— Finally Izzy steps back from her creation, awe-struck.

IZZY
It's beautiful... And, it's...
ALIVE!

Izzy's horn begins to glow. The camera turns to reveal SEÑOR BUTTERSCOTCH in all his glory. He's a surprisingly charming and cute-looking mess of a Junk-I-Corn marionette Puppet. Izzy puppets him with her levitation magic, and provides his voice.

IZZY (CONT'D)
And I shall call you... Señor Butterscotch!

IZZY (CONT'D)
(As Señor Butterscotch)
Hello, Izzy! It's me, your favourite Unicorn Pal!

IZZY (CONT'D)
WOO HOO! Hi Señor Butterscotch! Do, um, do you want to celebrate T.U.E.S day with me?

Señor Butterscotch nods goofily.

SEÑOR BUTTERSCOTCH
Let the festivities commence!

Izzy and Señor Butterscotch chant and dance as they leave.

IZZY / SEÑOR BUTTERSCOTCH
UNI-CA, UNI-CO, UNI-FA--

MONTAGE BEGINS:

INT. MANE MELODY - DAY - MONTAGE

Izzy and Señor Butterscotch are both getting Hoof-i-cures.

Izzy giggles as hers is provided by a concerned-looking Pipp.

JAZZ looks perplexed as sparks fly from Señor Butterscotch's “hooves" as she attempts to work on them.

INT. MARETIME BAY CINEMA - DAY - MONTAGE

Izzy and Señor Butterscotch sit beside one another watching a movie. They're seemingly the only two people in the theatre.

OPTIMARE PRIME (O.S.)
Trot-formers, roll out!

Izzy laughs along to the movie as Señor Butterscotch inaccurately tosses popcorn into his 'mouth'.

Reveal: POSEY is sitting directly behind the pair, slowly being pelted with Señor Butterscotch's popcorn. She's furious and unable to see the movie behind his oversized head, too.

Posey struggles and strains to see around Señor Butterscotch before finally – **<CRASH>** – falling to the ground in a pile of Popcorn.

OPTIMARE PRIME (O.S.) (CONT'D)
Auto-bucks, transform! We must defeat the Decepti-colts!

Izzy and Señor Butterscotch turn, but see nothing. They shrug and continue on. Izzy laughs, and now Señor Butterscotch tries to drink his soda, and again throws it aimlessly at his own face. Most lands on Posey, just as she begins to stand up again.

EXT. MARE-IO'S/MAMA MARE-IA'S/ PASTA-LLIONS! - DAY - MONTAGE

Izzy and Señor Butterscotch sit outside an Italian-looking risorante, enjoying a tasty spaghetti meal.

Señor Butterscotch nudges a tomato across the table to Izzy, and Izzy laughs as it just skewers onto his 'horn' like a Kebab. HITCH — patrolling nearby with a whistle and marching hoofsteps — notices and almost inhales his whistle in shock.

Izzy and Señor Butterscotch (tomato juice running down his face) turn and wave to Hitch, who realizes he's just marched right through POSEY's flower garden. MONTAGE ENDS.

EXT. MARETIME BAY - SMOOTHIE CART - LATER

Izzy and Señor Butterscotch arrive at Sunny's Smoothie cart.

IZZY (O.S)
(as Señor Butterscotch)
Two strawberry sunshine's please!
(Alts for clearance)
Two blueberry sparkles, two razzleberry ripples, two plummy yummies!

SUNNY
(turning to see SB)
Coming right up Sir--AHHah!
(awkward laugh)!

Sunny, baffled, prepares the smoothies never breaking eye contact with Señor Butterscotch.

SUNNY (CONT'D)
E-everything okay Izzy..? Who's your, uh... *who's this*?

IZZY
This is Señor Butterscotch! He's my new Unicorn friend.

Señor Butterscotch waves, and hits himself in the head with a **<clank>** as he does. Sunny hands over the Smoothies.

SUNNY
Hello...Señor...Butterscotch...

IZZY
Thanks, Sunny! Happy T.U.E.Sday!

SUNNY
I told you, it's Thursday today not Tues-- (the penny drops) Ooooooooh, *T.U.E.S.*-day!

Sunny begins rummaging in her bag. Pipp, Hitch and Zipp arrive, watching Izzy as she goes.

HITCH
Anypony else think Izzy is acting a bit strange?

ZIPP
(laughs) Yeah, I was flying and *thought* I saw her with a huge unicorn made of junk...

PIPP
Yep, that was real - Jazz gave them *BOTH* hooficures!

Suddenly, Sunny pulls a diary/planner from her bag and slams it on the cart.

SUNNY
(eureka)
See? Today ***isn't*** Tuesday!

PIPP
Yes, Sunny. We know!

ZIPP
(aside to Pipp)
I think she's losing it too...
(to Sunny, slowly)
How many hooves am I holding up?

SUNNY
No, today isn't ***Tuesday***. It's **T.U.E.S** day! The Unicorn Expression of Sparkle Day! I can't believe I forgot! It's a special day for unicorns to celebrate friendship!

EXT. BRIGHTHOUSE - GOLDEN HOUR

Izzy and Señor Butterscotch arrive at the Brighthouse. Izzy is clearly struggling to continue to levitate the Junk-I-Corn.

IZZY
(strained grunts)
Sorry....Señor....Butterscotch... I should *not* have had all that Pasta.

Izzy arrives at the door, and slides down against it, as does Señor Butterscotch, no longer puppeted by Izzy's magic.

IZZY (CONT'D)
(sigh)
We had a fun day, Señor B. But it just doesn't feel like T.U.E.S day without my fri--

The door behind Izzy opens, and her and SB topple onto their backs. Sunny, Hitch, Pipp and Zipp stand over them, surrounded by an explosion of confetti, balloons and sparklers.

SUNNY / HITCH / PIPP / ZIPP
Happy T.U.E.S DAY!

The gang launch into their own coordinated Haka-dance.

SUNNY / HITCH / PIPP / ZIPP (CONT'D)
UNI-CA, UNI-CO, UNI-FA, UNI-FO, UNI-
GOOOOOOO!

Izzy watches in awe, touched. Her ***cutie mark glows*** slightly.

IZZY
You Ponies remembered?!
(coy, impressed)
Did you just *pretended* to forget..?

All the ponies exchange a look of guilt.

SUNNY
(Earnestly)
Well, no... We forgot. We're all still learning about every-pony's special days, and I guess we need to try a bit harder...

PIPP / HITCH / ZIPP
We're sorry Izzy / We'll do better, I promise! / These ponies thought you'd lost it!

SUNNY
But we were thinking...Maybe there is still time to do our own T.U.E.S day...altogether?

Izzy absorbs it all, then has another lightbulb moment.

IZZY
Are you ***kidding***? I had a whole day of fun, and now I get to do it all again with you ponies?

They nod, and Izzy scoops everyone into a huge hug.

IZZY (CONT'D)
This is the best T.U.E.S day EVER!

Izzy and the Mane Five all run into the Brighthouse. Music blares, cheers and laughter are heard. We see lights through the window and door frame. But Señor Butterscotch is left alone outside...

Until the door opens, and he's levitated into the party.

END OF EPISODE.
